Dear Friend and Fellow Bowler

I am in the process of making arrangements for my Presidents Tour for 2020 to the Algarve and write to you as someone that has indicated you are interested in supporting my tour.

We will be staying at the Hotel Vila Gale' Cerro Alagoas in the beautiful part of the Algarve in Portugal.

## EXCURSION PROGRAMME

**Alluring Lagos** – In the 15th Century, Portugal was the leading maritime nation in Europe, with Lagos the country's most important naval port. This was largely due to a royal prince, Prince Henry the Navigator, who spent much of his life in Lagos. Many buildings, together with significant portions of the original city wall, remain from Lagos's golden age and afford the town considerable charm.

**Faro & the Ria Formosa** - Faro is an atmospheric city that retains much of its medieval charm. Two historic gateways and its ancient cathedral are perhaps its stand-out monuments, but its sleepy streets and squares are equally alluring. The Ria Formosa (beautiful estuary) meanwhile is a natural haven for both aquatic and bird life which we explore by boat.
